HP Thin Client t5145

HP's most affordable thin client.

Experience desktop-like performance in task-oriented work environments needing basic Microsoft Remote Desktop (RDP) connectivity.

- Affordable (\$249.00 + shipping & tax)
- Very small foot print (approx. 2" x 9" x 9")
- Quiet (no fans or hard drives)
- Secure (access in restricted RDP session)
- Reduced support costs (less hardware, no local operating system)
